

## Middleville AYSO Region 277 Referee Reward Program

**I.** Rewards can be earned based on the number of games refereed using the point/reward system outlined below. Points are earned based on the level of each game. The basic rule is 1 point is earned for each 10 minutes you referee. The table shows the points earned each game. To earn the reward points the referee turns in the game cards at the Snack Shack. The Referee Administrator is responsible for keeping a running total for each referee. For U8 games the referee initials on the sign in sheet at the Snack Shack and will be used to receive credit for refereeing a game. If two referees are used to do a game then points are split between the two for the game. If you are an AR for a game you will receive 2 Reward Points for the game. Your name needs to be indicated on a game card(s) as an AR in order to receive credit.

Level	Minutes	Reward Points
U8	40	4
U10	50	5
U12	60	6
U14	70	7
U16	80	8

Once one of the target point levels is reached the referee has the option to redeem it for a reward or continue accumulating points for a higher reward. Point totals are posted on the web page.
